Player Agreement

- I understand that playing basketball is a worthwhile activity; however, I should strive to do the best I can in my academic work. This means I must learn how to organize my time so that I do not jeopardize my future goals in education or basketball.
- I understand that attendance at school is mandatory. If a player is absent from school, it is their responsibility to contact the school/coach and inform them of what is wrong (sick, etc.).
- I understand that conduct at school and school sponsored functions has to be of the highest quality.
- I understand that if I am suspended from school for any reason, I will not be eligible to participate in team events until the suspension is lifted.
- I understand that I must submit a photo copy of my report card to my coach or team coordinator at the first scheduled practice after they are issued by the school.
- I understand that if I receive a grade lower than a "C", I may be required to participate in tutoring sessions. If I am unable to bring my grade up by at least one level, or I am not making satisfactory progress on improving the grade within one grading period, I may be subject to suspension or dismissal from the team. Satisfactory progress will be determined by the coach, director, and/or executive member of the education committee.
- I understand that I cannot practice basketball or play in a game if I do not come to school that day, if I do not check in before 11:30am or if I check out after 12:30pm.
- I understand that unexcused absences from practices will be subject to disciplinary action as determined by the coach and will likely result in playing less time. The coach will determine what is excused and what is not.
- I understand that I am responsible for issued uniforms. If lost or damaged, it will be replaced by the player at his/her expense.
- I understand that if I am late to practice, I will run a lap for every minute that I am late as determined by the coach. Habitual tardiness to practice will result in reduced playing time in games or possible dismissal from the team.
- I understand that I am not to enter the gym more than five minutes before my team's scheduled practice and must ensure that I am picked up outside the gym no more than ten minutes after the scheduled end time for practice, unless I am carpooling with another player.
- I understand that I am not authorized to be on the basketball court unless my team is scheduled for practice/game or I am participating in a player development session.
- I understand that I am to respect ALL program coaches, the director, and board members in the same manner in which I am to respect my own team's coach.
- I understand that I am representing the Sprayberry Junior Jacket Basketball Club; therefore, when we travel to away games we will wear our team apparel unless told otherwise.
- I understand I have the right to disagree with the coach, but I also understand that he/she is the coach and makes the final decisions concerning the team. Players who show a poor attitude or lack of cooperation (those who are not coachable) will be disciplined or dismissed from the team.
- I understand that players of all grade levels must earn playing time and there is no guaranteed playing time.

Having read the above conditions and the conduct expectations, I, _____
agree with the commitment to the Sprayberry Junior Jackets Basketball Club and promise to maintain high standards for our organization.

STUDENT/PARENT CONCUSSION AWARENESS FORM

SCHOOL: _____

DANGERS OF CONCUSSION

Concussions at all levels of sports have received a great deal of attention and a state law has been passed to address this issue. Adolescent athletes are particularly vulnerable to the effects of concussion. Once considered little more than a minor “ding” to the head, it is now understood that a concussion has the potential to result in death, or changes in brain function (either short-term or long-term). A concussion is a brain injury that results in a temporary disruption of normal brain function. A concussion occurs when the brain is violently rocked back and forth or twisted inside the skull as a result of a blow to the head or body. Continued participation in any sport following a concussion can lead to worsening concussion symptoms, as well as increased risk for further injury to the brain, and even death.

Player and parental education in this area is crucial – that is the reason for this document. Refer to it regularly. This form must be signed by a parent or guardian of each student who wishes to participate in GHSA athletics. One copy needs to be returned to the school, and one retained at home.

COMMON SIGNS AND SYMPTOMS OF CONCUSSION

- Headache, dizziness, poor balance, moves clumsily, reduced energy level/tiredness
- Nausea or vomiting
- Blurred vision, sensitivity to light and sounds
- Fogginess of memory, difficulty concentrating, slowed thought processes, confused about surroundings or game assignments
- Unexplained changes in behavior and personality
- Loss of consciousness (NOTE: This does not occur in all concussion episodes.)

BY-LAW 2.68: GHSA CONCUSSION POLICY: In accordance with Georgia law and national playing rules published by the National Federation of State High School Associations, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include, licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.

- a) No athlete is allowed to return to a game or a practice on the same day that a concussion (a) has been diagnosed, OR (b) cannot be ruled out.
- b) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
- c) It is mandatory that every coach in each GHSA sport participate in a free, online course on concussion management prepared by the NFHS and available at www.nfhslearn.com at least every two years – beginning with the 2013-2014 school year.
- d) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.
